THE SYLVAIN MELLOUL STORY:

Sylvain Melloul's hairdressing career began over five decades ago in Paris, France where he started as an apprentice at 14 years of age. Soon after, Sylvain's professional career was launched when he joined the L'Oreal Professionnel Artistic Team. As a member of the team, Sylvain performed platform work, taught contemporary educational techniques, and developed his vision of leading the beauty industry.

In 1970 at 21 years old, L'Oreal Professionnel sent Sylvain Melloul to the Watergate Salon in Washington D.C. to teach the latest techniques. After what was only meant to be a three-month teaching period, Sylvain was given the opportunity to stay at the Watergate Salon as their lead stylist. Within weeks, speaking only a few words of English, Sylvain and his innovative French hairstyling methods swept the Nation's Capital. Sylvain quickly built his reputation through applying his European approach, which resulted in him building a clientele with an extensive waiting list.

In 1974, Sylvain opened his first salon on M street in Georgetown, Washington D.C. This salon became his flagship salon for over 30 years. Sylvain continued to open several different concept salons, including; *Mathew Sylvain*, *Visage*, *Visage Express* (chain of salons), and *Sylvain Melloul Salon*. Sylvain Melloul's brand reached locations in Beverly Hills, Paris, and of course the Washington D.C. metropolitan area.

Sylvain faced a continuous challenge while running his salons, and that difficulty was:

"Finding hairdressers that met his quality standard in the United States. "

Sylvain's quick solution to this problem was to import hairstylists from Europe. Throughout his career, Sylvain brought many stylists over from Europe to work in his salons. During this time, Sylvain would conduct a **training academy** for all of his stylists to bring them to the quality standard he expected. It was through this initial training academy that Sylvain discovered his passion for education.

Today, Sylvain has taken a different approach to solving the problem he faced as a salon owner (and the same struggle most salon owners still face today): ***"better educate tomorrow's stylists by building the proper foundation today."***

Throughout his career, Sylvain Melloul was published in thousands of national and international publications, including; *Vogue*, *Harper's Bazaar*, *ELLE*, *Mademoiselle*, *American Salon*, *Salon News*, *The Washington Post*, and *New York Post*, among others. In fact, Sylvain brought the spotlight to Washington D.C. beauty and fashion by being the first Washington D.C. salon ever mentioned in *Vogue* magazine.

In 1992, **The First Lady, Hilary Rodham Clinton**, was seeking a new hairstylist after an unsuccessful haircut by a New York based stylist. Sylvain's reputation had reached the White House and the First Lady's national search for her new stylist ended at her doorstep.

For more than two years, **Sylvain was the personal hairstylist to the First Lady Hilary Rodham Clinton**. During this time, he traveled around the world with the President and First Lady Clinton aboard Air Force One. Sylvain Melloul's success with First Lady Hilary Rodham Clinton led the media to appoint him **"The First Hairdresser"**.

Sylvain's famous clients ranged from celebrities, political figures, musicians, and more throughout his career, including; **Sigourney Weaver, Michael Nouri, Paloma Picasso, Kelly**

McGillis, the Clinton Family, Senator and Mrs. Jacob Javitz, Senator and Mrs. John Heinz (of Heinz Ketchup), Susan Ford, Britney Spears, Art Garfunkel, and Sade, to name a few.

Today, Sylvain’s vision, philosophy, and approach to hairdressing are the foundation of our education at the **Sylvain Melloul International Hair Academy**. Sylvain’s continued relationship with *L’Oreal Professionnel* remains an essential element in the Academy’s mission to educate, train, and inspire students with a high level of professionalism and skill that will foster employment opportunities in the beauty industry. Sylvain Melloul continues to lead the beauty industry through his experiences, knowledge, and passion. It is his goal to impact the global beauty industry through the influence and success of graduates from the Sylvain Melloul International Hair Academy.

VISION:

To develop and train world class beauty and wellness industry professionals who are knowledgeable, passionate, and creative.

INDUSTRY REQUIREMENTS:

Students interested in a career in Cosmetology, Barbering, Esthetics, Master Esthetics, and Massage Therapy should:

1. Have or develop finger dexterity and have the ability to use arms and hands.
2. Have a passion and dedication in their education and industry.
3. Enjoy working with people.
4. Be current on the latest beauty and wellness trends and techniques.
5. Be aware of the physical demands of the industry (as mentioned below).
6. Understand that employment opportunities in the Cosmetology, Barbering, Esthetics, Master Esthetics, and Massage Therapy industry do require licensure.

Licensure Restrictions: The Virginia Department of Professional and Occupational Regulation (DPOR) BOARD FOR BARBERS AND COSMETOLOGY regulates the cosmetology, barbering, esthetics, and master esthetics professions and licensure. Applicants for licensure should be aware of the [restriction the board places on obtaining licensure](#), as stated below:

The applicant shall not have been convicted in any jurisdiction of a misdemeanor or felony which directly relates to the profession of barbering, cosmetology, nail care, waxing, esthetics, or master esthetics. Furthermore, the licensure application will ask applicants: *“Have you been convicted or found guilty, regardless of the manner of adjudication, in any jurisdiction of the United States of any misdemeanor involving moral turpitude, sexual offense, drug distribution or physical injury within the last 2 years?”* Note that answering yes to this question does not necessarily deny an applicant licensure, however additional documentation and a board hearing may be required. For more information on licensing restrictions with the state, please contact DPOR’s VIRGINIA BOARD FOR BARBERS AND COSMETOLOGY.

The Board of Nursing regulates the Massage Therapy licensure and profession. Please note, the licensure application question below may not necessarily keep you from licensure but you will be required to submit additional documentation and could be denied. *“Do you have a mental, physical or chemical dependency condition which could interfere with your current ability to practice as a massage therapist?”* Criminal Background checks are required by Virginia law for this profession. Note that convicted sexual offenses will prohibit an applicant from licensure. The Board of Nursing shall require each applicant for licensure as a practical nurse, registered nurse or licensed massage therapist to submit fingerprints and provide personal descriptive information to be forwarded along with his fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information.

Physical Requirements of Industry: Students and professional cosmetologists, barbers, estheticians, master estheticians, and massage therapists must be able to stand for long periods of time and use their upper body strength (arms) continuously to work on clients.

Requirements of Employers: Applicants to salons, barber shops, spas, medical offices, or other industry employers should be professional, possess a fundamental skill-set, have a positive attitude, and possess the proper licensure to be considered for employment in the respective field.

STUDENT KITS:

Students at Sylvain Melloul International Hair Academy receive student kit items at designated times throughout their education. The student kit varies by program, but generally student kits will include, but are not limited to:

- Sylvain Melloul International Hair Academy uniform (t-shirts or scrubs)
- Program specific textbooks, applicable workbooks, and online resources
- Program specific equipment/tools (i.e. shears, clippers, massage table, etc.)
- Case to carry tools

For a detailed list of student kit items, please request a copy from the Admissions Department.

STUDENT KIT-PURCHASE OPTIONS:

Students are required to have a student kit to complete their coursework. Sylvain Melloul International Hair Academy offers two options for acquiring a student kit:

Option 1. Purchase Directly from the Institution:

Students may choose to purchase a student kit through the institution. The selection of this option ensures that all items contained within the kit meet the necessary requirements. Additionally, students who are Title IV eligible and who wish to use this funding to purchase the student kit must sign a Title IV Authorization Form.

Option 2. Purchase Independently:

Students may independently purchase a student kit using the specifications provided to them by the institution's Financial Aid department upon request.

For more information or questions regarding a detailed list of student kit items, please request a copy from the Admissions Department.

HYBRID PROGRAMS – DISTANCE EDUCATION INFORMATION:

Sylvain Melloul International Hair Academy offers hybrid programs, which are composed of online (distance education) theory classes mixed with on-campus practical training. Below is important information and requirements regarding the distance education components for all hybrid programs offered by the school:

The program length, content, faculty, and resources available to students enrolled in hybrid programs are comparable to what is offered to students in programs offered in a traditional setting including but not limited to; office hours with instructors (in-person or virtual), peer-to-peer discussions (in-person or via discussion board), instructor feedback and assessment, and media library (via LMS).

The **educational objectives** for each program are clearly defined, simply stated, and achievable through hybrid education (delivering theory components online and practical education on campus). See the respective program course of study page for more information on program objectives and course of study.

- **Instructional materials** used by Sylvain Melloul International Hair Academy, regardless of program delivery (traditional or hybrid), are appropriate to meeting the stated objectives of the program, and

include a mix of print and multimedia materials.

- **Hybrid Programs Requirements:** Students in hybrid programs are required to attend in-person classes on-campus for their hands-on practical training. Students will receive the bulk of their theory education via distance education with asynchronous online learning. The nature of on-campus instruction requires face-to-face interaction among students and instructors. In addition to on-campus interaction between students and faculty, students can interact with faculty via email and discussion boards.
- **Technology Requirements:** In order to receive the best possible online education, students should have access to reliable internet connection and a computer. The school can assist students in need of a computer for classes. Cell phone service data will not support online learning. Students may be eligible to use school facilities and infrastructure (i.e. school internet access) to support distance learning components of their education.

Notice of recommended minimum technology specifications for distance education: A computer at least 5 years old or newer with at least 1GB of RAM, supports most recent browser versions, has an operating system that is up-to-date with the latest recommended security updates, and a recommended minimum Internet speed of 512kbps.

COSMETOLOGY PROGRAM COURSE OF STUDY - (1,000 CLOCK HOURS):

Sylvain Melloul International Hair Academy offers a 1,000 clock hour, 50 week Cosmetology program to individuals seeking to become licensed cosmetologists. Upon successful completion of the program, graduates will be awarded a certificate of completion enabling these individuals to take their state board examinations. The course is designed to offer students a wide range of educational opportunities through the different phases of the program.

Sylvain Melloul has designed the flow of its education, curriculum, and facility to promote a highly motivating and practical course of study. The curriculum is designed to develop our students into the best possible hairstylists during their 1,000 hours. Students will receive approximately 500 hours of theory/class hours and 500 hours of clinic work with mannequins and clients on the salon floor. Expectations are high for students while at the Academy, however, these expectations will produce tremendous results for those who attend the Academy with passion and dedication.

The overall educational objective of the Cosmetology program is for students to develop a profound understanding of cosmetology technical skills and the professional behavior necessary for careers in the beauty industry through theory instruction and practical experience working on mannequins and ultimately clients. Educational objectives for our students upon successful completion of the program include:

- To understand that the profession is built around customer service to the client and to always be very attentive, polite, respectful, honest, and professional.
- To identify what is best for each individual as a client and how to successfully verbally communicate this to the client.

- To build a very strong foundation for technical application skills in styling, cutting, coloring, chemicals, makeup, and spa services.
- To build confidence within themselves as stylists and as people, and to project such confidence onto the client through their application, professionalism, and personal image.
- To build their own brand and to understand how to market themselves as stylists in order to build a clientele.
- To understand the business side of the industry and to know how to achieve their desired earnings through goal setting and planning.
- To produce graduates who obtain licensure and employment and maintain such employment.

**Pursuant to the Department of Professional and Occupational Regulation's new minimum standards for curriculum in 18VAC41-20-210.D and performances in 18VAC41-20-220.E., Cosmetology schools currently approved by the Board for Barbers and Cosmetology must meet the requirements for a Cosmetology 1,000 clock hour program effective 9/1/24. Sylvain Melloul International Hair Academy's Cosmetology 1,500 clock hour program is being taught out and will no longer accept new enrollments. Active students enrolled in the 1,500-clock hour program will continue their education and go through the teach-out process. Students enrolled in any 1,500 clock hour program are subject to transcript reviews for transfer of hours into the 1,000 clock hour program and may only be awarded the maximum hours set by the equivalent course in the new curriculum.*

BARBERING PROGRAM COURSE OF STUDY:

Sylvain Melloul International Hair Academy offers a 1,100 clock hour, 32 week Barbering program to individuals seeking to become licensed barbers. Upon successful completion of the program, graduates will be awarded a certificate of completion enabling these individuals to take their state board examinations. The course is designed to offer students a wide range of educational opportunities through various phases.

The flow of education, curriculum, and facility promote a highly motivating and practical course of study. The curriculum is designed to develop our students into the best possible barbers during their 1,100 hours. Students will receive approximately 300 hours of theory/class hours and 800 hours of clinic work with mannequins and clients on the barber shop floor. Expectations are high for students while at the Academy; however, these expectations will produce tremendous results for those who attend the Academy with passion and dedication.

The overall educational objective of the Barber program is for students to develop a profound understanding of barbering technical skills and professional behavior necessary for careers in the barber industry through theory instruction and practical experience working on mannequins and ultimately clients. Educational objectives for our students upon successful completion of the program include:

- To understand that the profession is built around customer service to the client and to always be very attentive, polite, respectful, honest, and professional.
- To identify what is best for each individual as a client and how to successfully verbally communicate this to the client.
- To build a very strong foundation for technical application skills in styling, cutting, shaving, and chemical services.

Transfer from another Cosmetology, Barber, Esthetics/Master Esthetics, and Massage Therapy Schools:

In order for Sylvain Melloul International Hair Academy to award credit for transfer students, the former school must meet the following conditions:

- The former school must have been licensed by the appropriate state licensing entity while the student was enrolled. The school's current curriculum must be approved by that entity.
- The hours earned at the originating school must have been earned no more than two years prior to enrolling in the new school
- Both the new and former school must be accredited by an accrediting agency recognized by the U.S. Department of Education
- The new school may only credit completed content, and must substantiate, based on the student's transcript, how hours are awarded towards each content area
- Satisfactory of the above must be shown by the transfer student when applying to the Board for exam application

If the former school meets the above conditions, then an Official Transcript and copy of the catalog or bulletin of the former school showing full course descriptions should be received by the Director of Education in order to evaluate completed hours, performance requirements, and course letter grades earned from the former school. The Official Transcript must clearly indicate the course content completed in order for transfer credit to be awarded. Additionally, the Board for Barbers and Cosmetology requires that a transfer student complete a competency assessment. A transfer student must receive a score of 75% or above to successfully pass the competency assessment. Awarded transfer credits will be based on the review of the transfer student's official transcript and the successful completion of the board-approved competency assessment administered by the school.

Hours earned from a program outside the state of Virginia are subject to being awarded depending on the state. The rules and hours of study for that state will be reviewed prior to accepting hours.

Note: Students enrolled in the Cosmetology 1500 clock hour program are subject to transcript reviews for transfer of hours into the Cosmetology 1,000 clock hour program and may only be awarded the maximum hours set by the equivalent course in the new curriculum.

Transfer Between Programs:

Students enrolled in Sylvain Melloul International Hair Academy are permitted to transfer eligible (defined below) credit between the following programs:

- **Cosmetology and Barbering**
- **Cosmetology and Esthetics**

There is no transfer of credit between the esthetics and barbering programs, master esthetics with any program, or massage therapy with any program.

Currently enrolled students at Sylvain Melloul International Hair Academy are permitted to transfer between eligible programs with no loss of credit for progress already completed that fall under the applicable curriculum requirements of the new program. Credit for transfer between programs will be assessed on a case by case basis. Credit earned for content that does not apply to the new program will not be awarded to the transferring student. Credit for all practical performances will be accepted, however various competency testing may be required before work-based activities are permitted.

Apprenticeship Programs:

The Virginia Department of Professional and Occupational Regulation (DPOR), Board for Barbers and Cosmetology does not permit apprentice hours to be awarded as credit towards school hours.

Transferring to Another School:

Completed certificates, coursework and/or credit earned at Sylvain Melloul International Hair Academy are subject to acceptance by receiving school and state for students wishing to transfer out of the Academy.

RE-ENROLLMENT POLICY:

Students who have withdrawn from Sylvain Melloul International Hair Academy in good standing may apply for readmission after waiting a minimum 60-day period. Students requesting to re-enroll will be required to establish a plan of action prior to being scheduled to meet with the Re-enrollment Committee. After three (3) years of being withdrawn from the program, re-enrolling students will not be eligible for any previous credit.

Previous credit earned during the initial enrollment is not guaranteed. If the re-enrolling student re-enrolls within the below timeframes, they may receive the applicable credit. Timeframes are based on the time between the students last day of attendance of their initial enrollment and the date of the re-enrollment:

- **Less than 3 years – 100% of hours and performances awarded**
- **After 3 years - no credit will be awarded**

The re-enrolling student will enter at the same level of progress they were making when they withdrew, according to their most recent Satisfactory Academic Progress determination before withdrawing.

Re-entry Period	Requirements for Re-entry to the Academy
Within Six Months	<p>If a student re-enters <i>within six months</i> of withdrawal, then:</p> <p>The student will be evaluated on Satisfactory Academic Progress according to the same attended hours the student had at time of withdraw</p> <ul style="list-style-type: none"> ● <i>Example: If a cosmetology student withdrew with 600 attended hours, then the student's next review point will be in 300 attended hours at the 900 hour cumulative SAP review point.</i>
After Six Months	<p>If a student re-enters <i>after six months</i> of withdrawal, then:</p> <p>The student will be evaluated on Satisfactory Academic Progress according to the same attended hours as new students</p> <ul style="list-style-type: none"> ● <i>Example: If a cosmetology student withdrew with 600 attended hours, then the student's next review point will be in 450 attended hours as their first SAP review point (as is the case for new students).</i>
<p>NOTE: A student may not be re-enrolled for a third time without extreme extenuating circumstances. *A student who is in school or scheduled to start school may withdraw or defer their enrollment with the school in order to serve the military; these students are entitled to reinstatement to the school without having to re-qualify for admission, given the student: returns to school after a cumulative absence of not more than 5 years and provides the school notice of intent to re-enroll with 3 years after completing the service period.</p>	

Placement and Student Kits for Transfer or Re-enrolling students:

A written and practical evaluation may be administered once a transfer or re-enrolling student has registered in order to determine at which level the student shall begin. A transfer or re-enrolling student will be required to have or purchase current textbooks, workbooks, and any items required to bring their kit to the current standard. Students who withdraw or graduate from the program will have 30 days from their last day of attendance to collect all kits and personal belongings before being discarded.

FINANCIAL AID:

Financial aid is available to those who qualify. Sylvain Melloul International Hair Academy participates in the following U.S. Department of Education programs:

- Federal Pell Grants
- Federal Direct Student Loans
 - Subsidized loans
 - Unsubsidized loans
 - Parent PLUS Loans

Students can apply for federal student-aid by completing the Free Application for Federal Student Aid (FAFSA). Students can apply using the online submission form, found at:

<https://studentaid.gov/h/apply-for-aid/fafsa>, **School Code: 011596**

Students interested in obtaining student loan through financial aid must submit the below confirmations:

1. FAFSA Submission Page: <https://studentaid.gov/h/apply-for-aid/fafsa>
2. Loan Entrance Counseling Completion: <https://studentaid.gov/entrance-counseling/>
3. Master Promissory Note Completion: <https://studentaid.gov/mpn/>

For additional information, please contact the Financial Aid Officer. Flexible cash payment options are available.

For more information on the school's federal financial aid participation, including but not limited to; the percentage of students receiving federal financial aid, and the average indebtedness at graduation, please visit the schools website at www.smiha.edu financial aid page to access the Net Price Calculator, Federal Consumer Information Bulletin, and College Navigator Site.

VETERANS AFFAIRS GI BILL®:

Sylvain Melloul International Hair Academy is approved to offer GI Bill® educational benefits to eligible students by the Virginia State Approving Agency for the following traditional format programs: Cosmetology and Barbering (Note: Esthetics, Master Esthetics, and Massage Therapy programs are only offered via hybrid format and not eligible for this program.)

“GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Web site at www.benefits.va.gov/gibill.”

Individuals seeking to utilize the Veterans Affairs GI Bill® Benefits may start and begin regularly scheduled classes upon providing the following:

- Submit a “Certificate of Eligibility” for entitlement to educational assistance no later than the first day of a course of education
- Submit a written request to use such entitlement
- Provide additional information necessary to the proper certification of enrollment
- Provide all prior credit and transcripts (including military if applicable)
- Have a sound plan with the financial aid office on covering the balance on any school related costs (tuition, kits/books/fees) not covered by the VA education benefits disbursement

Furthermore, the institution will not impose any penalty, including the assessment of late fees, the denial of access to classes or institutional facilities, or require the individual to borrow additional funds, for any covered individual due to the delayed disbursement funding from VA under chapter 31 or 33.

STUDENT ORIENTATION:

Students registered for class are required to attend orientation, typically held the Thursday before the class start date. Students will also be scheduled for pre-orientation to finalize paperwork for their enrollment.

Technology Orientation: During student orientation and on the first day of classes, all students will be given a technology orientation on the systems, software, hardware, and other technological aspects necessary for the student to succeed. Students enrolled in hybrid programs will receive an orientation to distance education that will provide students with information and training on basic online navigation of the learning

management system (LMS) used to manage the online learning, along with policies, procedures, and other relevant information (i.e. - how to access support services) to help students succeed in their program).

ACADEMY CLOSURE DATES:

The Academy will be closed during the following dates. Make-up time may be scheduled around the time of closure. Enrollment Agreements will be extended for holiday closures and Teacher Administrative days:

PROGRAMS THAT RUN ONLINE ON FRIDAYS WILL STILL BE EXPECTED TO SUBMIT ONLINE ASSIGNMENTS ON TEACHER ADMINISTRATIVE DAYS, but NOT on National Holidays.

GRADING SYSTEM:

All students are tested in both theory and practical assessments. Students will be tested on every theory chapter. Students must take and pass all practical assessments before becoming eligible to perform the

application on clients. If the student is absent or fails a test, it is the student’s responsibility to schedule and pass a makeup test. Sylvain Melloul International Hair Academy’s grading system is as follows:

Range	Grade	Description
100%-93%	A	Exemplary performance.
92%-87%	B	Excellent mastery of program content and excellent ability to apply program content concepts. The work displays initiative, independence and application. In some courses, originality may be required.
86%-81%	C	Good mastery of program content and an ability to apply program content concepts. Work reflects a thorough understanding of the application and inter-relationships of material covered.
80%-75%	D	Below average mastery of a program. Needs improvement and review of materials covered and content concepts.
74% and below	F	Unsatisfactory progress in mastery of program content.

Theory grades include scores earned on quizzes, tests, and oral exams.

Practical grades are assigned by the instructor’s evaluation of clinic or mannequin work, based on satisfactory completion of all procedures assigned for each service performed.

A **minimum grade point average of 75%** is required in order to maintain Satisfactory Academic Progress.

STUDENT ACADEMIC EVALUATIONS:

All students will receive formal, documented academic evaluations, known as **Satisfactory Academic Progress** Evaluations, throughout their course of study at the following points:

Satisfactory Academic Progress Evaluation Review Points by Program				
Cosmetology Program (1,500 Clock Hour) <i>- In Teach-Out</i>	Cosmetology Program (1,000 Clock Hour)	Barbering Program	Esthetics Programs (Basic and Master)	Massage Therapy
450 attended hours	450 attended hours	450 attended hours	300 attended hours	450 attended hours
900 attended hours	900 attended hours	900 attended hours		
1200 attended hours				

Students will be evaluated on both academic and attendance standards. Students must maintain averages of **75% in both attendance and grade point average** to be considered making satisfactory progress.

Students failing to meet above minimum requirements for attendance or academic progress at the review point will be placed on Financial Aid Warning until the end of the next scheduled review or until re-establishing Satisfactory Academic Progress, whichever occurs first. During the Financial Warning period,

students are considered to be making Satisfactory Academic Progress and students who receive federal funds (Title IV funds and VA Benefits) may continue to be funded. If the student is meeting minimum requirements at the end of the Financial Aid Warning period, the student will be determined as making Satisfactory Academic Progress. If the student fails to meet requirements at the end of the Financial Aid Warning period, the student will be suspended from receiving Title IV funds and/or VA Benefits (if applicable) and may face termination, unless the student appeals the finding that they are not meeting the satisfactory academic Policy and prevails on the appeal. A student cannot have successive periods in Financial Aid Warning status.

The Satisfactory Academic Progress Policy can be found in its entirety in the Academy's *Federal Consumer Information* publication on the school website (www.smiha.edu) under the Financial Aid tab.

ACADEMY POLICIES:

The Academy has established policies, procedures, and guidelines to allow for a conducive learning environment while at the Academy. The below policies can be found in its entirety in the Academy's *Student Handbook*, and are applicable to all students, regardless of program of study.

Attendance — Students must maintain a **75% attendance rate**. Attendance is recorded using a biometric fingerprint time clock, set up with students to clock in and out on their first day of classes. Hybrid programs use a virtual student portal for capturing distance education hours attended.

Excessive Absenteeism — Sylvain Melloul International Hair Academy does not differentiate between excused and unexcused absences. Students who are excessively absent will not meet the minimum attendance average requirement and will ultimately be terminated from the Academy. Students who do not attend for seven (7) consecutive instructional days without prior written notification will be terminated from the program. Students with ten (10) consecutive days absent even with prior communication will be withdrawn from the Academy.

Tardiness — Students are expected to be present and prepared by their scheduled start time. The Academy does permit tardy students to enter at any time of arrival, but it's important to note that tardiness adversely affects student's attended hours and attendance rates and students should notify instructors at least 15 minutes prior to class start time.

Make-Up Testing Policy — Any student with failed or incomplete tests must make those tests up before they can perform the services on clients. It is the student's responsibility to monitor their test grades, schedule their make-up test time, and retake the test. In the event of a re-test, as a result of an unacceptable grade, the re-tested grade will replace the prior grade.

Professional Image Policy – Students are expected to come to the Academy with professional image standards met everyday, including; hair, make-up, personal hygiene, and wearing the school issued uniform T-shirts or scrubs with solid black pants, closed toe/heel shoes, and school issued name badges.

Leave of Absence Policy – Students who require an extended Leave of Absence may be granted one in accordance with the school's policy. The full policy can be found in the school's Federal Consumer Information publication, which will be provided to students before enrollment through the Orientation session and can be found on the Academy's website (www.smiha.edu) in the financial aid page.

CONDUCT:

Sylvain Melloul International Hair Academy educates and trains students to build the skills and professionalism necessary to succeed in the beauty and wellness industry. Behavioral conduct is a key focus in building professionalism and is expected among all students. Students who have behavioral misconduct may be subject to suspension or termination. The Sylvain Melloul International Hair Academy student expectations are detailed in the Student Handbook received by students at orientation.

Corrective Action - Sylvain Melloul International Hair Academy follows a corrective action procedure to address behavioral misconduct. The degree of misconduct will determine the level of corrective action taken. The standard corrective action procedure is as follows:

1. Verbal Warning
2. Written Warning and Performance Improvement Plan
3. In-School Suspension (students prohibited from performing services on clients or students)
4. Suspension
5. Termination

The school may elect to skip a progressive disciplinary action step(s) to appropriately address any behavioral misconduct (i.e. students in gross misconduct may be immediately suspended or terminated without any prior warnings).

Students may follow the complaint procedure to appeal any corrective action taken against them for behavioral misconduct. Students may be readmitted to the Academy or permitted to earn make up hours for any time missed if they prevail upon appeal.

OFFICIAL TRANSCRIPTS:

Students withdrawing from school will receive a copy of their Official Transcript if all balances due to the school are paid in full and a request is made in writing. Transcripts will be available for pick up within 10 business days of balances paid in full and written requests received. Students with balances due to the school may not receive their official transcripts.

EMPLOYMENT ASSISTANCE:

Sylvain Melloul International Hair Academy does not guarantee employment after graduation. The Academy does offer the following employment assistance: posting job listings on the designated virtual bulletin; providing professional development classes; resume writing and mock interview skills training; Career Fair with owners/employers and hiring managers to recruit students for employment in the industry.

OFFICE HOURS AND COUNSELING:

The Campus Director, Financial Aid Officer, and other faculty have office hours available to students outside of program regularly scheduled class hours. Office hours are posted outside of the faculty member's respective offices to allow students to discuss any academic, administrative, or financial aid questions or concerns. Staff members are also available during office hours for students seeking career counseling, assistance, or academic support.

ACCESS TO FILES AND RIGHT TO PRIVACY:

The Family Educational Rights and Privacy Act of 1974 (FERPA) guarantees the student and parent or guardian of a dependent minor, the right to access their personal file and the student's rights to the privacy of that file. A third party would only be granted access to a student's file or information regarding that file by providing written permission from the student or parent/guardian of a dependent minor. Some third party agencies, such as governmental and legal agencies have a right to receive information for accreditation purposes. If a student wishes to view his/her file, an appointment must be made with the Financial Aid Officer. A student's records, including all admissions information, financial aid records, and satisfactory academic progress records will be maintained by the school for a minimum of five years after graduation or withdrawal. Official transcripts will be held by the school indefinitely.

STUDENT RIGHT-TO-KNOW AND CAMPUS SECURITY ACT:

Student Right-To Know information (student's rights, privileges, and responsibilities) and the Academy's Campus Security Act information are made available to students through the Academy's publication; *Federal Consumer Information*. The Federal Consumer Information publication will be provided to students before enrollment through the Orientation session and can be found on the Academy's website (www.smiha.edu) in the financial aid page.

MEDIA (LIBRARY) RESOURCES AND TRAINING PLAN FOR WORK-BASED ACTIVITIES:

The school publishes an annual Media Services Plan and Training Plan for Work-Based Activities, which details the available media/library resources available to students and the training requirements, expected outcomes, and important information regarding applicable work-based training activities for students in their respective program. Active students are provided access to this plan. Prospective students may access this plan upon request.

PROGRAM SUCCESS:

The Academy measures program success through collecting feedback from current students, graduates, and the Academy's Advisory Committee as well as reviewing the Academy's completion, licensure, and employment rates annually. Outcome rates can be found on the Academy's website in the Federal Consumer Information publication (<http://smiha.edu/financial-aid/>).

STUDENT COMPLAINT PROCEDURE POLICY:

The Academy utilizes a policy and procedure for handling student complaints, and students are informed in writing of this policy and procedure. The Academy will make every attempt to resolve any student complaint that is not frivolous or without merit.

A student, instructor, or interested party may file a complaint against the Academy or related party under the following procedures:

- a) The complaint must be in writing to the Campus Director
- b) The complaint must outline the allegation or nature of the complaint within 30 days of the date that the act occurred.

An Academy representative will attempt to meet with the complainant within 30 days of receipt of the written complaint or will send a written response if the meeting cannot be arranged. If after careful

evaluation, the problem cannot be resolved through discussion, the complaint will be referred to the Campus Director. Evidence of final resolution of all complaints will be retained in school files. Students will not be subject to unfair action or treatment as a result of the initiation of a complaint.

If the student complaint cannot be resolved after exhausting the Academy's complaint procedure, the student may file a complaint with the State Council of Higher Education for Virginia submitted to; State Council of Higher Education for Virginia, Private and Out-of-State Postsecondary Education, 101 N. 14th St., 10th Floor, James Monroe Building, Richmond, VA 23219. The student may also submit the complaint to the Academy's accrediting agency; Council on Occupational Education [800-917-2081, council.org] 7840 Roswell Road, Building 300, Suite 325, Atlanta, GA 30350. Veterans or other eligible persons may report a grievance against the school to the Virginia State Approving Agency and US Department of Veterans Affairs. The Virginia State Approving Agency (SAA) is the approving authority of education and training programs for Virginia. Their office investigates complaints of GI Bill® beneficiaries. While most complaints should initially follow the school grievance policy, if the situation cannot be resolved at the school, the beneficiary should contact the SAA office via email: saa@dvs.virginia.gov.

INSTITUTIONAL REFUND POLICY:

1. If a student or legal guardian cancels his/her enrollment agreement and requests his/her money back in writing, within three (3) business days of the signing of the enrollment agreement or contract, all monies collected by the school shall be refunded except a non-refundable application fee of \$25.00. This policy applies regardless of whether or not the student has actually started training. The cancellation date will be determined either by the postmark on written notification or date said information is delivered to the school administration in person.
2. If a student cancels his/her enrollment after three (3) business days of signing the enrollment agreement up to withdrawing on the first day of classes, received by written notice, he/she shall be entitled to a refund of all monies paid to the school, except a non-refundable application fee of \$25.00, within 45 days of the planned start date.
3. An applicant not accepted by the school shall be entitled to a refund of all monies paid except a non-refundable application fee of \$25.00.
4. Any monies due the applicant or student shall be refunded within 45 days from date of formal cancellation or withdrawal by the student determined by postmark on written notification; or the date the student last attended classes, whichever is sooner. Sections 5 below details withdrawal circumstances.
5. A student will be terminated from the program once he/she has been absent from class for seven (7) consecutive instructional days from the last date of attendance as determined by weekly monitoring of attendance without prior written notification or communication making arrangements to return. Withdrawal may be effective earlier by written notice, in which case the effective withdrawal date will be the student's last day of attendance.

- For students who enroll in and begin classes, a schedule of tuition adjustment is authorized based on scheduled hours per payment period. The institution must provide the student at least the following refund calculation:

Refund Calculation	
Percentage Scheduled to Complete	Percentage of Tuition Refunded to Student
0.01% - 10%	90%
10.01% - 25.00%	50%
25.01 % - 50 %	25%
50.01% - 100%	0%

Refund Calculations are calculated per the tuition charge for the payment period the student has entered. Students are only financially obligated for tuition charges as they progress through the program and enter each payment period. The following payment periods and tuition charges are used for calculating the above Refund Calculation:

- Scheduled Hours used for refund calculation purposes are defined as the number of hours a student is scheduled to be in school between the actual starting date and the date of determination of withdrawal.
- The refund policy will apply to tuition charged in the enrollment agreement, including student kit charges; students will not be charged for the kit items that have not been issued to them, and applicable charges will be adjusted accordingly. All other miscellaneous charges to the students' products, additional kit items, or other charges or debts to the school incurred by the student will be calculated separately at time of withdrawal. Kits that have been issued to the student may not be returned to the school for refund upon termination of enrollment.
- The school reserves the right to reschedule, postpone, or cancel classes. If a course is rescheduled, postponed, or canceled subsequent to a student's enrollment and before instruction in the course has begun, the school will provide a refund of all monies paid within 45 days of the planned class start date, without the need for the student to request said refund.
- If the school discontinues a course or program of education during a period of time within which a student could have reasonably completed the same course or program, a pro-rata refund of tuition and fees will be made to the student; except that this provision shall not apply in the event that the school ceases operation.
- If the school is permanently closed or no longer offering instruction, after a student has enrolled, the school will provide the student a reasonable opportunity to promptly resume and complete the canceled course(s) of study, or receive a pro rata refund, or complete a substantially similar course of study at an institution(s) which offers similar educational programs, in the same geographic area as the original school. The teach-out school shall not charge students more than the original school has been charging and for which the student has not paid. Individual notice shall be provided to students.
- A full refund of monies paid, less a non-refundable \$25.00 application fee, will be made to students who have not visited the school facility prior to enrollment and whom will be given the opportunity to withdraw without penalty within three days following either attendance at a regularly-scheduled

orientation or following a tour of the facilities and inspection of the equipment.

13. All refunds due in accordance with this policy will be refunded within 45 days of the date of determination of qualifying event; all refunds shall be issued by the school without the request of the student and/or guardian.

ENROLLMENT AGREEMENT:

An enrollment agreement between the academy and the student (or student’s parent or guardian if student is a minor) will be executed prior to starting classes. The above refund policy will be in said enrollment agreement, along with the obligations of both the school and the student. Students requiring training beyond the contract date may be considered “over contract”. Actual over contract hours will be calculated in the following manner: Number of hours attending school after contract date minus holidays, unscheduled closed school days. Over contract charges/facility fees will be assessed at the rate of tuition per hour. All balances due the school, including over contract charges, must be paid before the student receives their certificate of completion or paperwork required to apply for licensing.

Payment Plans: Students have the following payment plan options available:

OPTION 1: The purchaser and/or guarantor agrees to pay the balance due in equal monthly installments. The first payment is due the first day of class and all subsequent payments are due on the same day of each month until the balance is paid in full.

OPTION 2: Any amount of the balance due may be paid, provided the amount is equal to or greater than the monthly installments of Option 1.

OPTION 3: Payments may be made through Title IV Funds or combination of Title IV Funds and Option 1 or 2, should the Title IV Award be insufficient to cover all charges.

Facility Fees/Over Contract Charges

Additional facility charges may apply to a student’s account if said student does not complete the training within 118% of the scheduled time in the respective payment period. The student may be charged an institutional facility fee equal to the number of hours over the scheduled time the student took to complete the training period. This fee is an additional cost to be applied to the next training period and will be factored into any refund calculations at the hourly rate of tuition per hour. The rate of tuition per hour is calculated by taking the total tuition divided by the total hours of the program.

INCLEMENT WEATHER CLOSINGS:

Sylvain Melloul International Hair Academy closings for inclement weather will be aired on local media outlets, such as television and radio stations. More details are outlined in the Student Handbook. The Academy often follows similar guidelines as the Lynchburg public school district.
